

서울대학교 국제대학원 유럽센터  
Jean Monnet Centre of Excellence  
EU Center

## Position Announcement (Rolling Basis)

Position: **Research Assistant**

- Number of positions are determined based on the operational needs of EU Centre projects.

Main tasks:

- Assist in organizing special academic lectures featuring invited European scholars and politicians.
- Manage the European Roundtable at SNU GSIS
- Support content creation and promotion for the EU Centre's social media platforms (Facebook and Instagram)
- Manage and participate in Euro-Asia Summer/Winter School
- Support the management and participation of "SNU in Europe", one of SNU in World Programs from Office of Global Affairs, if conducted by the Centre Chair
- Assist with various Europe-related projects led by the Centre Director

Qualifications:

- Proficiency in website management, Zoom and social media promotion
- Current Master's students at GSIS with academic interest in European politics, economics, society and culture, environment, or green policy
- Preference given to applicants available to work for at least one semester

Application process:

- 1) submission of application form, certificate of enrollment, official transcript
- 2) Interview with Professor Han JeongHun (Jean Monnet Chair Professor)
